

GRANT WRITES

SPRING 2024

SCHEDULE

Register: csuwrites.colostate.edu/grants/

GRANT Work & Review Groups

Launch **MARCH 25**

Writers can join a group up to **JUNE 1**

Groups meet weekly for accountability and feedback to build momentum and craft high-quality proposals.

NIH Group: Led by Dr. Izabela Ragan of BMS .
NSF-Career Groups: Led by Quynn and Brunning
Other Grants Groups: Led by Quynn and Brunning

GRANT WRITING SUPPORT

Proven methods to help CSU researchers produce high-quality proposals with greater ease

JAN - JUNE 2024

Register: [CSU Writes website Grants](https://csuwrites.colostate.edu/grants/)

Email: csuwrites@colostate.edu

Events held on MS-Teams

Kristina Quynn, Ph.D., CSU Writes
Izabela Ragan, Biomedical Sciences
Lynn Brunning, Research Acceleration Office

GRANT RETREATS

MAR 22, 8:30am-4pm ([JOIN HERE](#))

APR 26, 8:30am-4pm ([JOIN HERE](#))

VIRTUAL on ZOOM ([REGISTER HERE](#))

Retreats afford grant writers up to 5 hours of dedicated prep and writing time, expert speaker presentations, and afternoon breakout discussion sessions. Retreats are a great opportunity for researchers to make significant progress on a proposal in a collegial environment.

Proposals at the Sentence-Level

APR 11, 12-1pm ([JOIN HERE](#))

VIRTUAL on ZOOM ([REGISTER HERE](#))

A webinar co-led by Dr. Jeff Wilusz (MIP) and Dr. Kristina Quynn to examine what makes proposals succeed or fail and why at the sentence-level.
